2676 '99 SEP 14 P2:10

Reference: Docket numbers 98N-1230, 96P-0418, and 97P-0197

I am writing to request that you consider addressing the root of egg production safeguards by a prohibition of forced molting. This must be BANNED for the protection of American citizens. Warning labels and refrigeration rules are not enough. I have had a gastric bypass and I am extremely sensitive to salmonella contamination. Eggs are a frequent problem. Please help.

Sincerely,

A handwritten signature in cursive script, appearing to read "Debbie Casey".
